CARE FOR YOUR

Miracle

Warm support when your family could use an extra set of hands.

Gentle in-home postpartum and infant support

NON-MEDICAL • PARENTS REMAIN HOME

Care for Your Miracle helps families feel supported, encouraged, and cared for at home during the newborn and postpartum season.

Support for Mom & Baby

Practical care. Calm encouragement. A little more room to breathe.

- Newborn and infant care support
- Feeding and bottle-prep support
- Diapering, soothing, and comfort care
- Support while mom rests, showers, or recovers
- Gentle help with baby routines
- Emotional encouragement for new moms

SIBLING CHILDCARE AVAILABLE AS A PAID ADD-ON

About Nancy

Nancy Robertson is a mom of seven and the heart behind Care for Your Miracle. With experience caring for infants, medically fragile children, NICU babies, foster placements, and newborns, she understands how beautiful and overwhelming this season can be.

This is the support she wishes she had with her own children — calm, caring, experienced help at home.

What to Expect

- Gentle, respectful, non-medical care
- Care while a parent or guardian remains home
- Scheduled care blocks planned ahead of time
- Calm support during the first days or weeks home

May Be Helpful If You Are

- Recovering after birth
- Adjusting to life with a newborn
- Feeling overwhelmed or exhausted
- Looking for experienced infant support
