How I Can Help

Gentle, practical help during the newborn and postpartum season.

- Newborn and infant care support
- Feeding and bottle-prep support
- Diapering, soothing, and comfort care
- Support while mom rests, showers, or recovers
- Gentle help with baby routines
- Emotional encouragement for new moms

OPTIONAL PAID ADD-ON

Sibling childcare is available as a paid add-on for an additional fee.

Meet Nancy

I’m Nancy Robertson, a mom of seven and the heart behind Care for Your Miracle. I understand how beautiful, exhausting, and overwhelming the newborn and postpartum season can be.

My experience includes caring for infants, NICU babies, medically fragile children, foster care placements, and newborns needing extra patience and comfort. I have also worked as a CNA and owned a childcare business.

This is the kind of support I wish I had with my own children—someone calm, caring, and experienced to offer reassurance, rest, and an extra set of hands.
